The LCAPs will be available for public inspection at the OGCS, Inc. District Office, 2353 South Broadway, Upstairs, Santa Maria, CA 93454 and at the links above. District office employees are currently working remotely so advance notice is required in order to inspect the documents at the District office location. Arrangements can generally be made on the same day as the request to view the plans.

Purpose:

California Education Code sections 47604.33, 47606.5 and 52064 require that, on or before July 1 of each year, charter schools must complete a Local Control Accountability Plan (LCAP) and Annual Update, using the LCAP template adopted by the State Board of Education (SBE).

The LCAP is a three-year plan that describes the goals, actions, services, and expenditures to support positive student outcomes that address state and local priorities. The LCAP provides an opportunity for local educational agencies (LEAs) to share their stories of how, what, and why programs and services are selected to meet their local needs.

The OGCS, Inc. Board of Directors are required to adopt the LCAP by July 1, 2021 in a public meeting. This meeting shall be held after, but not on the same day as, the public hearing for receiving public comment. The agenda for the public hearing shall be posted at least 72 hours before the public hearing and shall include the location where the LCAPs will be available for public inspection.

Notes on Public Comment:

Due to the COVID-19 pandemic, Governor Gavin Newsom issued Executive Orders temporarily suspending and/or modifying certain requirements of the Brown Act regarding teleconferencing, public attendance, and public comments. Specifically, the Executive Orders allow school boards to hold public meetings telephonically or otherwise electronically, waiving the requirements for the physical presence of members in order to participate or establish a quorum. Meetings held electronically must allow members of the public to

observe and address the meeting electronically. The temporary modifications to the Brown Act remain in place while public health officials have imposed social distancing measures and/or limitations on public events.

If you would like to provide input on the Learning Continuity and Attendance Plans during the public hearing portion of the June 8, 2021 OGCS, Inc. Board of Directors meeting, please submit any public comment via email to Summer Thomas at stthomas@olivegrovecharter.org as soon as possible, but ideally prior to the Board Meeting. Written public comments should be limited to 500 words, and the total time for this purpose shall not exceed thirty (30) minutes. **The Board will also allow verbal public comment during the meeting per the agenda.** Comments submitted by email will be read aloud by a Board Member in the order in which they were received. Any comments that exceed the total limit will be included as part of the record but not read during the meeting. The Board is prohibited from taking action on any item that is not part of the published agenda.

In compliance with the Americans with Disabilities Act (“ADA”) and upon request, the School may furnish reasonable auxiliary aids and services to qualified individuals with disabilities. Individuals who require appropriate alternative modification of the agenda in order to participate in Board meetings are invited to contact the District Office.
