The Educator Effectiveness Block Grant (EEBG) is a program providing funds to county offices of education, school districts, charter schools, and state special schools to provide professional learning and to promote educator equity, quality, and effectiveness.

As a condition of receiving funds for educator effectiveness, LEAs shall develop and adopt a plan for expenditure of funds, which requires the plan to be explained in a public meeting of the governing board of the school district, county board of education, or governing body of the charter school before its adoption in a subsequent meeting. Funds may be expended for the purposes identified in [Assembly Bill 130, Chapter 44, Section 22](#) and [Assembly Bill 167, Chapter 252, Section 9](#) and mentioned below in the “Allowable Use of Funds” section. These expenditures may take place over fiscal years 2021–22, 2022–23, 2023–24, 2024–25, and 2025–26. LEAs may use these allocated funds to provide professional learning for teachers, administrators, paraprofessionals who work with students, and classified staff that interact with students in order to promote educator equity, quality, and effectiveness. The funding is distributed in an equal amount per unit of full-time equivalent certificated and classified staff as reported in California Longitudinal Pupil Achievement Data and California Basic Educational Data System for the 2020–21 fiscal year. This funding for certificated and classified staff shall not exceed the total certificated staff and classified staff count.

Allowable Use of Funds

1. Coaching and mentoring of staff serving in an instructional setting and beginning teacher or administrator induction, including, but not limited to, coaching and mentoring solutions that address a local need for teachers that can serve all pupil populations with a focus on retaining teachers, and offering structured feedback and coaching systems organized around social-emotional learning, including, but not limited to, promoting teacher self-awareness, self-management, social awareness, relationships, and responsible decision making skills, improving teacher attitudes and beliefs about one's self and others, and supporting learning communities for educators to engage in a meaningful classroom teaching experience.
2. Programs that lead to effective, standards-aligned instruction and improve instruction in literacy across all subject areas, including English language arts, history-social science, science, technology, engineering, mathematics, and computer science.
3. Practices and strategies that reengage pupils and lead to accelerated learning.
4. Strategies to implement social-emotional learning, trauma-informed practices, suicide prevention, access to mental health services, and other approaches that improve pupil well-being.
5. Practices to create a positive school climate, including, but not limited to, restorative justice, training around implicit bias, providing positive behavioral supports, multitiered systems of support, transforming a schoolsite's culture to one that values diverse cultural and ethnic backgrounds, and preventing discrimination, harassment, bullying, and intimidation based on actual or perceived characteristics, including disability, gender, gender identity, gender expression, language, nationality, race or ethnicity, religion, or sexual orientation.
6. Strategies to improve inclusive practices, including, but not limited to, universal design for learning, best practices for early identification, and development of individualized education programs for individuals with exceptional needs.
7. Instruction and education to support implementing effective language acquisition programs for English learners, which may include integrated language development within and across content areas and building and strengthening capacity to increase bilingual and biliterate proficiency.
8. New professional learning networks for educators not already engaged in an education-related professional learning network to support the requirements of subdivision (c).
9. Instruction, education, and strategies to incorporate ethnic studies curricula adopted pursuant to Section 51226.7 into pupil instruction for grades 7 to 12, inclusive.
10. Instruction, education, and strategies for certificated and classified educators in early childhood education, or childhood development.

Purpose and Requirements

As noted in the Introduction, a program providing funds to county offices of education, school districts, charter schools, and state special schools to provide professional learning and to promote educator equity, quality, and effectiveness:

- To ensure professional development meets educator and pupil needs, local educational agencies are **encouraged to allow school site and content staff to identify the topic or topics of professional learning**. Professional learning provided pursuant to this section shall do both of the following:
 - Be **content focused**, incorporate **active learning**, support **collaboration**, use **models** of effective practice, provide **coaching** and **expert support**, offer **feedback** and **reflection**, and be of **sustained duration**.
 - As applicable, be aligned to the **academic content standards** adopted pursuant to Sections 51226, 60605, 60605.1, 60605.2, 60605.3, 60605.4, 60605.8, and 60605.11, and the model curriculum adopted pursuant to Section 51226.7, as those sections read on June 30, 2020, and former Section 60605.85, as that section read on June 30, 2014.

Areas that to be considered for funding as outlined in Education Code include:

(1) **Coaching** and **mentoring** of staff serving in an instructional setting and beginning teacher or administrator induction, including, but not limited to, coaching and mentoring solutions that address a local need for teachers that can serve all pupil populations with a focus on retaining teachers, and offering structured feedback and coaching systems organized around social-emotional learning, including, but not limited to, promoting teacher self-awareness, self-management, social awareness, relationships, and responsible decision-making skills, improving teacher attitudes and beliefs about one's self and others, and supporting learning communities for educators to engage in a meaningful classroom teaching experience.

(2) Programs that lead to effective, **standards-aligned instruction** and improve **instruction in literacy** across all subject areas, including English language arts, history-social science, science, technology, engineering, mathematics, and computer science.

(3) Practices and strategies that **reengage pupils** and lead to **accelerated learning**.

(4) Strategies to implement **social-emotional learning**, **trauma-informed practices**, **suicide prevention**, access to **mental health**

services, and other approaches that improve pupil well-being.

(5) Practices to create a **positive school climate**, including, but not limited to, restorative justice, training around implicit bias, providing positive behavioral supports, multitiered systems of support, transforming a schoolsite's culture to one that values diverse cultural and ethnic backgrounds, and preventing discrimination, harassment, bullying, and intimidation based on actual or perceived characteristics, including disability, gender, gender identity, gender expression, language, nationality, race or ethnicity, religion, or sexual orientation.

(6) Strategies to improve **inclusive practices**, including, but not limited to, universal design for learning, best practices for early identification, and development of individualized education programs for individuals with exceptional needs.

(7) Instruction and education to support implementing **effective language acquisition** programs for English learners, which may include integrated language development within and across content areas, and building and strengthening capacity to increase bilingual and biliterate proficiency.

(8) New **professional learning networks** for educators not already engaged in an education-related professional learning network to support the requirements of subdivision (c).

(9) Instruction, education, and strategies to incorporate **ethnic studies** curricula adopted pursuant to Section 51226.7 into pupil instruction for grades 7 to 12, inclusive.

(10) Instruction, education, and strategies for certificated and classified educators in **early childhood education**, or **childhood development**.

Fiscal Requirements

As a condition of receiving funds, a school district, COE, charter school, or state special school shall do **both** of the following:

- On or before **December 30, 2021**, develop and adopt a plan delineating the expenditure of funds apportioned pursuant to this section, including the professional development of teachers, administrators, paraprofessionals, and classified staff. The plan shall be **presented in a public meeting of the governing board** of the school district, county board of education, or governing body of the charter school, **before its adoption in a subsequent public meeting**.
- On or before **September 30, 2026**, report **detailed expenditure information** to CDE, including, but not limited to, specific **purchases** made and the **number of teachers, administrators, paraprofessional educators, or classified staff** that received professional development. The CDE shall determine the format for this report.

Funding apportioned pursuant to this section is subject to the **annual audits** required by Section 41020.
