- Local Control Accountability Plan (LCAP)
 - The LCAP is a three-year plan that outlines Olive Grove's main goals, actions, measurable outcomes, and expenditures. The LCAP plays an important role in describing how our schools plan to improve outcomes for low-income students, English Learners, Foster Youth, Students Experiencing Homelessness, Students with Disabilities, and other groups of students with identified needs.
 - The LCAP was shared and discussion regarding the importance of supporting student success through LCAP goals, actions, and services were reviewed. No changes were indicated.
 - Parent/guardians appreciated the instructional design of OGCS and the availability of the LCAP and other resources on the OGCS webpages.

- Parents/guardians also shared the value of OGCS Teacher Advisor support while other parent/guardians expressed the need for increased support for new parent/guardians transitioning into OGCS to better understand how to navigate the curricula and access available resources.
 - Please join us and share your input to help inform our Local Control and Accountability Plan (LCAP) for 2022-23. Your input will help us to understand what is most important, what has been working well, and what needs to be improved.
- New Items for Future Discussion
