

OLIVE GROVE CHARTER SCHOOLS, INC.
INDEPENDENT STUDY POLICY

Olive Grove Charter Schools, Inc. (“OGCS” or “Charter School”) shall offer independent study to meet the educational needs of pupils enrolled in the Charter School. Independent study is an optional educational alternative in which no pupil may be required to participate and is designed to teach the knowledge and skills of the core curriculum and is provided as an optional alternative instructional strategy by which pupils may reach curriculum objectives and fulfill OGCS graduation requirements. Independent study shall offer a means of individualizing the educational plan for students whose needs may be met best through study outside of the regular classroom setting. The Charter School shall provide appropriate existing services and resources to enable pupils to complete their independent study successfully. The following written policies have been adopted by the OGCS Governing Board (“Board”) for implementation at OGCS:

1. For pupils in the following grade levels and programs offered by the Charter School, the maximum length of time that may elapse between the time an assignment is made and the date by which the pupil must complete the assigned work shall be as follows:
 - a. TK – 3rd Grade: Ten (10) school days.
 - b. 4th – 8th Grade: ten (10) school days.
 - c. 9th – 12th Grade: fifteen (15) school days.

The Executive Director or designee may approve a period not to exceed four (4) weeks when special or extenuating circumstances justify a longer period of time for individual pupils determined on a case-by-case basis.

The Board recognizes that independent study may be used as an option to encourage pupils to remain in school. Teachers should carefully set the duration of independent study assignments, within the limits specified by the Board, above, to help identify pupils who are falling behind in their schoolwork and/or in danger of dropping out of school.

2. The Director or designee shall conduct an evaluation to determine whether it is in the best interests of the pupil to remain in independent study upon the following triggers:
 - a. When any pupil fails to complete three (3) consecutive independent study assignments during any period of twenty (20) school days.
 - b. When any pupil misses without valid reason(s) two (2) appointments with their supervising teacher, education specialist, and/or counselor.
 - c. In the event a student’s educational progress falls below satisfactory levels as determined by the Charter School’s Academic Probation Policy which considers ALL of the following indicators:

- The pupil's achievement and engagement in the independent study program, as indicated by the pupil's performance on applicable pupil-level measures of pupil achievement and pupil engagement set forth in Education Code Section 52060(d) paragraphs (4) and (5).
- The completion of assignments, assessments, or other indicators that evidence that the pupil is working on assignments.
- Learning required concepts, as determined by the supervising teacher.
- Progressing toward successful completion of the course of study or individual course, as determined by the supervising teacher.

A written record of the findings of any evaluation conducted pursuant to this policy shall be treated as a mandatory interim pupil record. The record shall be maintained for a period of three years from the date of the evaluation and, if the pupil transfers to another California public school, the record shall be forwarded to that school.

3. The Charter School shall provide content aligned to grade level standards that is substantially equivalent to in-person instruction. For high school grade levels this shall include access to all courses offered by the Charter School for graduation and approved by the UC or CSU as creditable under the A-G admissions criteria.
4. The Charter School has adopted tiered reengagement strategies for the following pupils:
 - a. All pupils who are not generating attendance for more than 10 percent of required minimum instructional time over four continuous weeks of the Charter School's approved instructional calendar;

These procedures shall include local programs intended to address chronic absenteeism, as applicable, with at least all of the following:

- a. Verification of current contact information for each enrolled pupil;
- b. Notification to parents or guardians of lack of participation within one school day of the absence or lack of participation;
- c. Outreach from the Charter School to determine pupil needs including connection with health and social services as necessary;
- d. A clear standard for requiring a pupil-parent-educator conference to review a pupil's written agreement, and reconsider the independent study program's impact on the pupil's achievement and well-being, consistent with the policies adopted pursuant to paragraph (4) of subdivision (g) of Education Code Section 51747.

5. The following plan shall be in place in accordance with Education Code Section 51747(e) for synchronous instruction and live interaction:

b. For pupils in grades 4-8, inclusive, the plan to provide opportunities for daily live interaction between the pupil and a certificated or non-certificated employee of the Charter School and at least weekly synchronous instruction for all pupils throughout the school year by each pupil's teacher or teachers of record shall be as follows:
