Comprehensive School Safety Plan Overview and Purpose

California Education Code sections 32280-32288 outline the requirements for all California public schools operating a kindergarten and grades 1 to 12 inclusive, to develop a comprehensive school safety plan addressing the safety concerns relevant to the needs and resources of the particular school.

Comprehensive School Safety Plans are required to contain the following elements:

- An assessment of the current status of school crime at the schools and at school-related functions
- Child abuse reporting procedures
- Disaster procedures, routine and emergency plans, and crisis response plan
- Suspension/expulsion policies and procedures
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policy, including hate crime reporting procedures and policies
- Schoolwide dress code
- Procedures for safe ingress and egress of pupils, parents, and school employees to and from school sites
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Procedures for conducting tactical responses to criminal incidents

This Comprehensive Safety Plan has been developed in accordance with the intent of AB 1747 (Rodriguez), passed by the California State Legislature and signed into law in 2017-18, and in full compliance with the corresponding language required in AB 1747 as referenced in California Education Code Sections 47605(b) (5) (F), 44237, and 32282.

This Comprehensive School Safety Plan will be reviewed, updated, and adopted by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

An updated file of all non-sensitive safety-related plans and materials is available for review at each Olive Grove Charter Schools, Inc. learning center and office location.
